National Priorities Addressed

Issue Questions	Responses
-----------------	-----------

Local Issues Addressed

Issue Questions	Responses
1. Will the length of the contract be three (3) or less years with two (2) or less years of cost share and one (1) year of maintenance?	
2. Has an RMS conservation farm plan been completed prior to August 1, 2008, on the parcel offered for the program contract?	
3. Has the applicant successfully completed all previous contracts offered? (Answer YES if applicant has never had a contract cancelled, terminated, or is actively applying (on schedule) any existing contracts not yet completed.)	
4. If approved, will this be the first contract offered to this applicant?	
5. Is the operation at least two(2) years old?	
6. Has an energy audit been completed on the operation?	
7. Is the applicant currently applying other energy conserving practices in the operation?	
8. Has the applicant attended or completed an education event within the past year? (Examples are a field day, seminar, work shop, class room course, or others)	
9. Is the applicant currently using some form of alternative fuel in the operation?	
10. Is the applicant considered an historically underserved client?
